WHEREAS, the Projects are expected to create jobs in the County; and

WHEREAS, after careful study and investigation of the nature of the Projects, the Issuer hereby determines that the Projects may be acquired, constructed and installed as a “project” as defined in O.C.G.A. § 36-62-2(6)(N) (and not a “project” described in any other provision of the Act defining the term “project” or authorizing “projects”); the Projects will develop and promote trade, commerce, industry and employment opportunities for the public good and the general welfare within the County and will promote the general welfare of the State; that the Projects and the issuance of the Issuer’s revenue bonds to acquire, construct and install the Projects will be in the public interest of the inhabitants of the County and of the State and will be in furtherance of the public purposes for which the Issuer was created and is existing, as provided in the Act, and that the Projects and the Series 2024 Bonds will be sound, feasible and reasonable; and

WHEREAS, the Issuer further finds that (i) the adoption of the Bond Resolution and the subsequent issuance of the Series 2024 Bonds to acquire the Existing Facilities and acquire, construct and install the Phase 1 Project and the Phase 2 Project do not constitute a “business loan” or confer any other “public benefit” within the meaning of O.C.G.A. § 50-36-1 and (ii) neither the Company nor any other participant in the transaction involving the Series 2024 Bonds or the Projects and their respective counsel constitute an “applicant for public benefits” within the meaning of O.C.G.A. § 50-36-1 in connection with the issuance of the Series 2024 Bonds; therefore, such persons are not subject to Systematic Alien Verification of Entitlement pursuant to such code section in connection with the issuance of the Series 2024 Bonds; and

WHEREAS, the Issuer further finds that the Projects are not public projects and are therefore not subject to the Georgia Local Government Public Works Construction Law (O.C.G.A. Sec. 36-91-1 *et seq.*); and

WHEREAS, the Issuer further finds that the economic benefits that will inure to the County and their residents from the Projects and the operation thereof and the payments to be made under the Lease thereof and the related purchase option in the Lease will be equal to or greater in value than the benefits to be derived by the Company that is the lessee thereof under the Lease and, therefore, the issuance of the Series 2024 Bonds to acquire the Existing Facilities and acquire, construct and install the Phase 1 Project and the Phase 2 Project, and the leasing of the Projects to the lessee Company and the related purchase option and the execution and delivery of the Security Document involves no gratuity to the Company that is prohibited by the Constitution of the State of Georgia of 1983; and
