

Special Event Application

General Information

Fayette County requires a Special Event Permit to be obtained by any person, company or agency using County-owned property, county road right-of-way or inside County buildings.

Fees: \$100/day for use at passive locations that do not produce excessive disruption to routine County business/operations or to the general public.

\$500/day for use at active locations that may produce excessive disruption to routine County business/operations or to the general public.

Certificate of Liability Insurance is required for the person, company or agency, with no less than \$1,000,000 of liability insurance. The Certificate of Liability should list the "Fayette County Board of Commissioners" as additional insured.
